

TUNE guitar D A D G B E (DROP D)

RUNAWAY Key of Bbm (Capo 1 play in Am)

When my mind takes off like a runaway

Like a runaway, like a runaway

When troubles fight and try to steal the day

Try to steal the day

Try to steal the day

Turn the page to the end of the story

Where deepest dreams are true

And revel in the glory

Coming soon and very soon

Oh Oh Oh Oh Oh my soul, hold on / Oh Oh Oh Oh Oh my soul, hold on

(2X ONLY) → ( Oh Oh Oh Oh Oh my soul, hold on / Oh Oh Oh Oh Oh my soul, hold on )

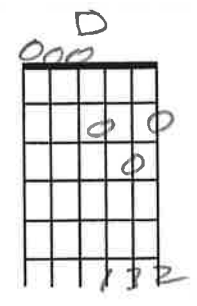

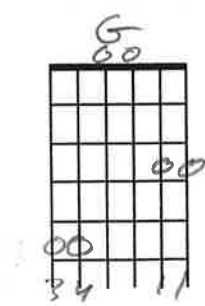

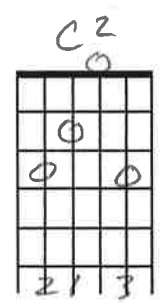

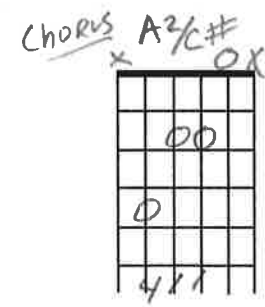

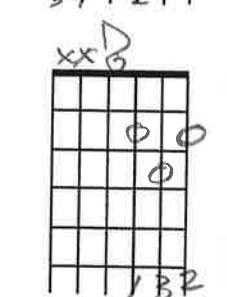

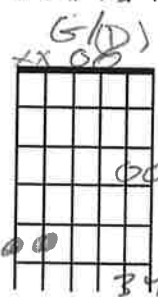

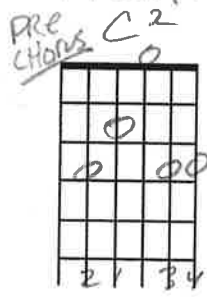

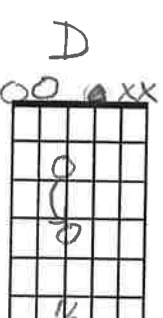

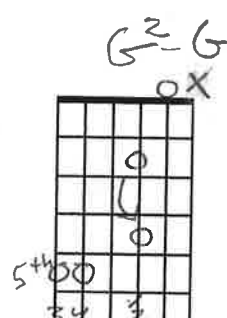

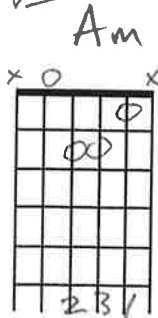

In my Father's house there are many rooms

There are many rooms, there are many rooms

While these lungs have breath, I'm gonna to tell the news,

I'm gonna to tell the news, I'm gonna to tell the news.

NEVER HAVE TO SAY GOODBYE

Key of D<sup>b</sup> (Capo 1 play in 'C')

3/4 INTRO: ||: C C(sus4) | C C<sup>2</sup> :||

When a friend goes away

Boards a plane, for distant shores

We swallow hard and smile, while waving by the door

I will wait, anticipating the day

Yes, I am waiting for the day

When we will never have to say goodbye

When I feel a little sad

Missing those who've gone before me

I rejoice in where they stand

And in Whom they are beholding

I will wait, anticipating the day

Yes, I am waiting for the day

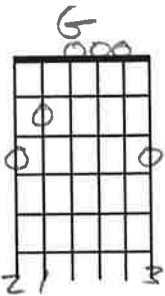

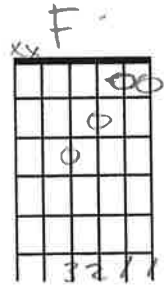

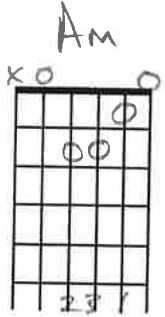

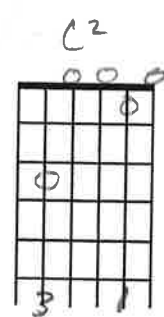

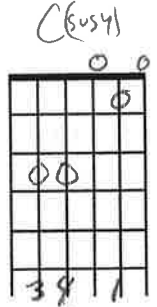

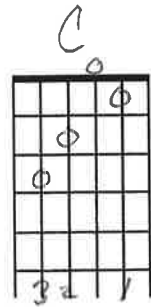

When we will never have to say goodbye

We will never have to say goodbye

We will never have to say goodbye

We will never say goodbye again
