Oh Sacred Head, Now Wounded

Em

Oh sacred head, now wounded

With grief and shame weighed down

Now scornfully surrounded with thorns Thine only crown

How pale Thou art with anguish

With sore abuse and scorn

How does that visage languish, which once was bright as mourn

What Thou, my Lord, hast suffered was all for sinners gain
 Mine, mine was the transgression, but Thine the deadly pain

Lo, here I fall my Savior, tis I deserve Thy place

Look on me with Thy favor, assist me with Thy grace

What language shall I borrow to thank Thee, dearest friend

For this, Thy dying sorrow, Thy pity without end

Oh make me Thine forever, and should I fainting be

Lord, let me never, never outlive my love to Thee

Amazing Grace

^D
Amazing grace
^G ^D
How sweet the sound
That saved a wretch like me ^A
^D
I once was lost
^G ^D
But now I'm found
^{Bm} ^A ^G ^D
Was blind but now I see

^D ^G ^D
T'was grace that taught my heart to fear
^A
And grace my fears relieved
^D ^G ^D
How precious did that grace appear
^{Bm} ^A ^G ^D
The hour I first believed

^D ^G ^D
When we've been there ten thousand years
^A
Bright shining as the sun
^D ^G ^D
We've no less days to sing God's praise
^{Bm} ^A ^G ^D
Then when we first begun
